**MEMO ENDORSED**

Re: Marcel Albert v. DistroKid LLC  
Case No: 25-cv-1705 (KPF)

Dear Judge Fialla:

We represent Plaintiff in the above referenced matter, pursuant to Rule 9 of the Court's Individual Practices, we are writing to request leave to file the amended complaint under seal and to simultaneously file a redacted copy on ECF. As the filing is due today, we are simultaneously filing a redacted copy and an unredacted copy under seal (which is also being emailed to Defendants' attorneys), and we request that the Court determine whether the sealed copy should be made publicly available or remain sealed.

The reason for the above request is that to fully allege the wrongful acts to support Plaintiff's claims of tortious interference, Plaintiff is including the code which we assert is malicious, as well as the exact manner that Plaintiff believes that Amazon achieved the shadowban. Plaintiff believes that this code has the potential to be misused by other parties to cause harm, therefore we believe that said information should not be made publicly available.

We thank the Court for its consideration.

Very truly yours,

  
Michael H. Joseph, Esq.
